icturesque Christmas Valley of South Lake Tahoe. Inspiring view of the Echo summit can be seen in the comfort of our home, including from your private master Jacuzzi bath, with its two way fireplace. There is a gourmet kitchen with stainless steel appliances and abundant natural light showcases the residences combination of modern amenities with rustic mountain charm. Natural stones throughout and iron lighting fixtures and hardwood floors come together in a mountain décor as satisfying to the touch as it is to the eye. Our renters will enjoy cozy storytelling around a fireplace or a night in at the movies on the television.
